
COLLEGE SURVIVAL 101

Worried about sending them off to college?

This comprehensive one on one workshop is custom designed for the needs of your new or struggling college student.

For less than the price of one college credit, Sandra Lane, Certified Professional Organizer, will work with your student on key areas to increase their success and give you peace of mind: organization, time management, productivity, work/life balance, study techniques and more.

\$299

Includes:

45 minute assessment
3 hour solution session
virtual followup in September
